

CALL FOR PAPERS

1st International Conference on Human-Centric Smart Computing (ICHCSC-2022)

27th-29th April 2022, New Delhi

ICHCSC is a premier forum on human-centric smart computing. The significant characteristic of ICHCSC is the promotion of inevitable dialogue between scientists, researchers, engineers, corporate's and scholar's students to mitigate the gap between academia, industry, and governmental ethics. This motivation is fostered through keynote speeches, tutorials, workshops, exhibitions, and oral presentations by eminent researchers in relevant fields. In this platform, the academic researchers would expose the results and findings of laboratory-based experiments. The industry personnel depicts cutting-edge researches in Computer intelligence to convey academia regarding real-time scenarios and practical findings. The platform of ICHCSC will also bring regional and international concerns for the discussions of recent advances in modern computation intelligence.

Topics & Technical areas of interest include but are not limited to the following:

HUMAN-CENTRIC COMPUTING

Human-Centric Computing
Human-Computer Interaction
Social Computing and Social Intelligence
Ubiquitous Computing and Mobile Systems
Gaming and Semantic Systems
Computer-Assisted Learning and Cognition
Information Visualization and Visual Analytics
Membrane Computing
Cellular Computing
AI/ML in Support of Human Cognition
Human Aspects and Psychology of Software Development and Language Design
Hyper Connectivity

HYPER CONNECTIVITY

Next-Generation Communication Systems
Vehicular, Underground and Underwater Networks
Network Analytics
RFID and Sensor Network
Network Security
Information-Centric Networking
Remote Sensing and GIS
Network Protocols, Modelling & Simulation of Communication Networks
Software-Defined Networking
Fault Tolerance, Reliability, and Survivability
Data Science

DATA SCIENCE

Big Data Analytics for Human-Centric Computing
Cloud Computing Techniques for Big Data
Data Mining in Healthcare data
Data Mining in Security
High-Performance Data Mining Algorithms
Biometrics, Face and Gesture Analysis
Biomedical Image Analysis
Human-Centric Visual Analysis with Deep Learning
Data Security: Block-Chain Technology
Applications of Computational Intelligence
Techniques for Human Aspects

Category	Registration fees for Indian Author	Registration fees for Foreign Author
Regular Author Academician	3000 INR/-	150 USD
Regular Author from Industry	6000 INR/-	200 USD
Regular Author Student (Ph.D)	3000 INR/-	150 USD
Regular Author Student (PG)	3000 INR/-	150 USD
Regular Author Student (UG)	3000 INR/-	150 USD
Extra Paper	3000 INR/-	150 USD
Only Attending or Accompanying	2500 INR/-	100 USD

PUBLICATION

The proceedings of ICHCSC will be published in the book series "Springer — Smart Innovation, Systems and Technologies"

SUBMISSION LINK

<https://easychair.org/conferences/?conf=ichcsc2022>

IMPORTANT DATES

Full Paper Submission | **Acceptance Notification** | **Early Bird Registration**

31st October, 2021

28th February, 2022

10th March, 2022

Registration

15th March, 2022

Final Paper Submission

15th March, 2022

 Prof. Somen Nayak (Convener Chair)

 +91-7728993716 / 8949887403
